Terms in brief

- Fees are in Indian rupees and exclude 18% GST.
- The one-time fee covers the first year of hosting, backups, updates and support.
- From the second year, every package renews at ₹2,000 + GST a year.
- If renewal lapses, your data stays safe and reports can still be viewed; entry resumes on renewal.
- Each package covers one station. Premium covers multiple stations under one login.
